

Laboratory Listing

Laboratory Name: Antria, Inc.

Contact Name: Sarah Boyer

Address: 841 Hospital Road Indiana, Suite 2400, Indiana, PA 15701

Telephone: 1-724-349-0520

E-mail: sboyer@antria.org

Animal Facilities (Yes/No): No

Type of Research: Autologous Adult Stem Cells

Funding: Private

Research Fellowship Available: (Yes/No): No

Primary Investigator's Name: Shah Rahimian, MD

Project Title: Adipose Derived, SVF Enriched Facial Fat Grafting

Brief Project Description: A phase one, open label, single arm study to demonstrate the safety of antria cell preparation process during facial fat grafting assisted with autologous, adipose derived stromal vascular fraction (svf)

Opportunity for student degree program (Yes/No): No
